II. TRAVEL REIMBURSEMENT GUIDELINES

Travel expenses will be reimbursed as follows:

A. Ground Transportation

- **Personal car** is reimbursable at **\$0.565** per mile. Personal car mileage expense should never exceed the cost to fly. If it does, reimbursement is limited to the lesser of the two costs.
- **Parking, shuttles and/or taxis** are reimbursable with a receipt. When the length of your trip is such that a roundtrip taxi fare is less than long-term/ economy parking, we recommend that this option be exercised. When available, please make use of hotel-provided van or shuttle services to and from the airport, which may be free of charge or for a nominal fee.
- **Car Rental**
A "Travel Authorization", completed and signed by the Approving Authority, is required prior to approval. All vehicles rented for AYSO business must include the comprehensive and collision insurance as offered by the rental agencies, unless explicitly covered under the AYSO insurance plan or other coverage (i.e. credit card). The signature on the rental agreement should be signed "[your name] for AYSO." It is absolutely imperative that no one other than the names appearing on the official rental car agreement drive the vehicle at any time.

B. Meals

- Based on receipts submitted up to: **breakfast: \$10, lunch: \$15, dinner: \$25**. These are general guidelines. The National Executive Director may approve higher expenditures in some special circumstances. **This is not a per diem and may not be reimbursed without proof of actual expenditure. If meal reimbursement covers other individuals besides yourself, please list their names.**

C. Airfare

- AYSO will reimburse the price of "coach/ economy class" airfare only. All air travel, other than Section Conference or NAGM, requires a "Travel Authorization" completed and signed by the Approving Authority. National Office travel must be coordinated with the Events Department at the National Office.
- For travel to the NAGM or Section Conferences, advanced authorization is given to the AYSO travel provider via the authorized travel list from the Events Department. For all other travel, travelers must complete and submit an approved "Travel Authorization" to the AYSO travel provider before making travel reservations or obtain approval from the National Executive Director.

D. Hotel or Dorm rooms

- Because of the wide variances in rates, common sense is requested. Assistance in obtaining reservations and prepaid rooms is available through the Events Department at the National Office. Rooms may be booked directly or through the AYSO travel provider.
- For Section Conferences, National Meetings and the NAGM, all hotel reservations must be arranged through the Events Department at the National Office. A "Travel Authorization," completed and signed by the Approving Authority, is required for individual travel. For subsidized reservations, room and tax are the only expenses that may be charged to the National "Master" account. All other expenses must be submitted in an expense report for approval and reimbursement. The only person who may authorize direct charges to the National "Master" account is the National Executive Director or his designee.

E. Telephone when traveling

AYSO will reimburse AYSO business related calls only. If possible, do not place calls from your hotel room, as they tend to charge excessive service fees for in-room calls. When possible, please use a calling card, cell phone or pay phone. Please submit copies of telephone bills with the AYSO-related calls highlighted for reimbursement.

III. MISCELLANEOUS INCIDENTAL EXPENSES

A. Printing, postage and other expenses

Submit receipts. These expenses are recognized as necessary operating expenses.

B. Equipment and software

These expenditures should be budgeted for and purchased using National Accounting Program (NAP) procedures. However, in some rare instances to simplify acquisition, a volunteer can be reimbursed for purchases with the prior approval of the appropriate executive member and as long as original receipts are presented. All equipment and software, whether purchased directly or reimbursed, remains the property of AYSO.

C. Telephone

AYSO will reimburse AYSO business related calls only. Please submit copies of personal telephone bills with the AYSO-related calls highlighted. Generally, separate telephone lines are not allowed. In certain circumstances where a detailed explanation is provided and approved by the Area Director or Section Director, a separate AYSO line may be permitted, subject to the written approval of the National Executive Director
