

Referee Volunteer Point Requirement Fall 2017

www.ayso84.org

PURPOSE: To ensure all Region 84 AYSO games in the 10U, 12U & 14U divisions and all Area 11-L scheduled games for Saturday and Sunday play during the fall season are properly covered with 3 “Trained” and “Safe Haven” certified referees. All officials must also submit **1 completed 2017 Volunteer Registration form to the Region’s CVPA for processing before access to games will be allowed.** This policy is designed to ensure that our program has the proper number of trained and certified volunteers available to run all the programs Region 84 provides to its players. This policy will also reward those volunteers, who meet the minimum standard outlined below, by giving their children “mandatory pick” status when teams are formed for Spring play.

POLICY: Initially, ALL referee positions will be OPEN to sign-up for NEUTRAL registered and certified Region 84 referees. It is preferred that a parent does not initially sign-up to referee or assistant referee his or her own child's match.

Every Thursday, prior to a weekend match, the referee schedule will be completely OPEN for all referees to include those who represent the teams playing. It is the responsibility of both teams on the scheduled match to provide their own trained and certified referees (in full uniform) to sign up for any open positions. If no assistant referee arrives to a match, a club linesman** must be recruited and used by the referee.

Referees’ children will be identified on the draft sheet provided to coaches so that coaches have the opportunity to draft referees’ children to their teams.

Referee points are required to advance to playoffs.

SPRING PLAY POINT REQUIREMENT: The children of Board Members, League Managers, Head Coaches, Official Assistant Coaches and Referees who earn 10 or more points will be deemed eligible to be a mandatory pick for Spring Play.

Point System Guidelines:

Points are awarded to a referee volunteer who does the following:

- A. Signs up in advance, using the online referee system, for a scheduled game as either:
 - i. The center official
 - ii. An assistant referee (one of two open positions)
- B. Officiates in complete referee uniform which includes:
An official referee shirt, proper black shorts, official referee socks (pulled up to the knee), and a referee badge stating current badge level.

If a referee “steps in” at the last minute, a point can be earned provided that the referee is in full uniform. The referee must sign the back of the game card to receive credit. Also, the center referee must confirm that the referee was in full uniform.

** A club linesman is a non-uniformed, non-certified spectator that will assist the referee throughout the game. A club linesman may NOT call any fouls, offside infractions or misconducts. The club linesman is only allowed to signal ball out of play and direction of throw for the referee. Club linesmen do not earn volunteer points.
